Summary

Detail-oriented Frontend Developer with a solid foundation in HTML, CSS, and JavaScript, and experience in React and Vue.js. Proven ability to build and maintain responsive websites. Familiar with UI/UX design using Figma. Seeking to leverage my skills and experience to contribute to innovative projects and help drive the success of your team.

Education

2019 – July 2023 **B.Sc. in Computer Science, GPA 3.22**

Cairo, Egypt Misr International University

Skills

- **Frontend:** React, HTML/CSS, Javascript, Typescript, Vue.js, Next.JS .
- **Backend:** PHP.
- **Mobile Development:** Flutter, Dart.

Experience

2023/08 – present **Software Engineer – Campus51** **Cairo, Egypt**

Worked on an education web application with the tech and developers team of the company mostly working on the frontend using React tsx, Next.JS and some backend using Golang. Having an impactful role in the development of the landing page and the LMS of the website.

Projects

2022/02 – 2022/05 **Shein Addict E-Commerce Web Application**

A web E-Commerce application intended to help customers order the products they want with comfort, while also helping the admin of the business manage their web application and products with ease and no mess ups.

2022/11 – 2023/01 **CardFlip Study Helper Mobile Application**

A mobile application that is designed to help students study and revise for their exams through a system of flip cards where they could test their knowledge or cheat off the card to study before taking the test using Flutter and Dart.

2022/10 – 2023/06 **Aegyptos Hieroglyphs Translation Mobile Application**

A mobile application that tends to make tourists' experience visiting Egypt's landmarks and historical places even more fun and full of knowledge by giving them access to knowing what are the meaning of Hieroglyphic symbols on the walls of temples and tombs through their phone cameras alone using Image segmentation and deep learning.

Extra-Curricular Activities

- **Music Club of MIU, Coordination Co-Head, MIU - 2020.**
- **Music Club of MIU, Coordination Head, MIU - (2021 – 2023).**
